

LIENA' MERLOT

Igt Toscana Rosso

Grape variety: 100% Merlot

Vineyards: Felciaino 1986, Fondi 1984

First year of production: 2003

Soil composition: average texture with alluvial calcareous deposit

Average output per vine: 800 g

Training system: horizontal spurred cordon

Harvest time: middle of September

Bottles production per year: about 2.000

Wine making: with natural raising agents in steel tank

Maturation: at least 24 months in French oak barrels, 25% first use

Organoleptic features: intense ruby-red colour. This wine is characterized by a complex and fascinating olfactory framework: ripe black fruits, liquorice, spices and leaf tobacco. In the mouth the wine is silky and wrapping, with a good compactness and persistence. In the aftertaste notes of ripe black fruits, liquorice, coffee and dark chocolate.
