

LIENA' PETIT VERDOT

Igt Toscana Rosso 2016

Grape variety: 100% Petit Verdot

Vineyards: Felciaino 1986

First year of production: 2004

Soil composition: average texture with alluvial calcareous deposit

Average output per vine: 800 g

Training system: horizontal spurred cordon

Harvest time: beginning of October

Wine making: with natural raising agents in steel tank, the fermentation takes place under controlled temperature in stainless steel tank

Bottles production per year: about 2.000

Maturation: at least 24 months in French oak barrels, 30% first use

Organoleptic features: ruby-red wine with reflexes which tend towards violet. It presents a marked perfume with hints of mint, ripe red fruit and chocolate. On the palate the wine shows a great personality with very smooth and balanced tannins, followed by mineral and spicy notes. Long and persistent finish.
